

## **Viejas Casino & Resort Brings Gaming to the Next Level with the Opening of a New Casino Floor**

*The latest expansion is at the forefront of a wide variety of newly unveiled amenities*

**SAN DIEGO (Aug. 19, 2017)** – Viejas Casino & Resort “upped the ante” Friday, Aug. 18 with the opening of its new casino floor featuring more than 300 exciting slot machines all equipped with state-of-the-art promotional display technology. The San Diego area’s premier gaming destination is also debuting a new High-Limit Slot Room, Off-Track Betting Parlor, and additional promotional kiosks, ensuring all guests feel like high rollers with top-of-the-line amenities at their fingertips.

“The debut of our upgraded casino floor space is one in a series of many exciting enhancements we are planning property-wide,” said Viejas Tribal Chairman Robert J. Welch, Jr. “Providing world-class amenities is a constant objective and we look forward to guests experiencing our latest upgrades.”

Among the newest and upcoming additions to Viejas Casino & Resort are:

- A newly opened portion of the casino floor with 300+ new slot machines equipped with Scientific Games' robust new iVIEW4 technology to enhance user experience at point of play
- A planned new Cage, Cashier Desk, and V Club Players Booth to ensure great customer service
- A new High-Limit Slot Room, where players can escape the hustle and bustle of the casino floor for the select machines they know and love
- An Off-Track Betting (OTB) area, equipped with large high-resolution televisions, where guests can remotely place bets on races taking place at tracks around the country. The new OTB is conveniently located on the casino floor next to the V Bar.
- 20 new Promotional Kiosks are in operation, where players can redeem rewards, swipe to win, and participate in other casino promotions including the new Super Lottery Progressive promotion every Wednesday

“2017 has been an incredible year in terms of the progress accomplished across the casino and resort,” said Welch. “We look forward to continued improvements and revealing more exciting enhancements in coming months.”

Friday, June 2, Viejas Casino & Resort hosted a topping-off ceremony, which included the signing of the last steel construction beam to complete its new tower, set to open to the public in early 2018.
