# ***Bingo House Rules***

- It is the player's responsibility to familiarize themselves with the Viejas Bingo rules and abide by them.
- Players must have the last number called and it must complete the winning pattern in order to have a valid Bingo. Once the Caller begins to say the letter of the next ball, no previous Bingos will be honored. Sleepers are not valid and will not be paid.
- It is the player's responsibility to call "bingo" loud enough to alert the Caller. If a player calls "bingo" and the Caller does not respond with "bingo has been called," it is the player's responsibility to yell "bingo" again. Once the next number has been called, the player no longer has a valid bingo.
- Bingo players must be at least 18 years of age.
- Players and guests must remain as quiet as possible while Bingo is in progress.
- Players MUST check their buy-in receipts before leaving the admissions counter to ensure they are correct. If a player is eligible for free cards, they must request it during their original purchase and present a valid ID and myViejas card. It is the player's responsibility to use all Bingo paper purchased during the games for which it is purchased.
- No Refunds will be given for games not played.
- Splitting of packs or specials is not permitted and will not be paid. Each player must have their own receipt and play their own Bingo paper or electronics. MyViejas Club members must use their own card when making purchases. Players may not use their card to purchase items for other players.
- Every attempt will be made to verify a bingo. If a bingo cannot be verified due to the cards being obscured, ripped, or altered, the bingo will be disqualified. Each number on a paper card must be clearly marked with a dauber.
- Players must have a paid admissions receipt to hold a seat/Fixed Base unit. Players must place their paid admissions receipt at the seat/Fixed Base they wish to hold. Reserved Seating is not allowed without written Management approval.
- Players must be seated and in possession of a valid admissions receipt to purchase items from a floor clerk.
- Seats/Fixed Base computers are first come, first serve and may not be held without a paid admissions receipt for the current game time.
- Players may play only one (1) electronic unit per game time, and players must play their own unit during the game time. A second unit will be allowed for up to two (2) Intermission Packs.
- To accommodate short breaks, players may allow other players or Viejas Bingo team members to play their paper packs or electronic units in their absence (not to exceed three (3) games per game time). Players accommodating short breaks must have their own Bingo receipt. Bingo will not be paid on abandoned packs or machines. Viejas Casino accepts no liability for Viejas team member's assistance or errors in marking cards or failing to call "bingo".
- Players must provide valid photo identification and their Social Security Number (except foreign winners) to collect winnings over \$1,199.
- In the event of multiple winners on regular games, prizes will be split according to the number of winning cards and level purchased. For example, three (3) winning cards would each receive one-third (1/3) of the prize (based on level purchased).
- Pull Tabs must be redeemed on the same day purchased.
- Players purchasing a Star Pack must use the "star" as an extra free space in the pattern. Failure to recognize a bingo due to not daubing the star will be considered a sleeper and will not be paid. If the star is placed between two (2) numbers, it applies to the top number only.
- Sales stop when the first number is placed on the monitor for jackpot games.
- In the event of any dispute, the decision by the Bingo Supervisor/Manager or Casino Shift Manager is final, and the game and/or game time will continue. Players may appeal decisions to the Gaming Commission.
- Management reserves the right to correct any prize payouts announced by the caller that are contradictory to the printed disclosure of those prizes.
